Appendix No. 9

A model of the acceptance protocol for the contract for defined work as part of which the University of Warsaw does not acquire copyrights to the Work

Work Acceptance Protocol

prepared on ...., in …... (place), for the acceptance of the Work defined in the Contract for Defined Work No.
…………………………………………………………………………………………………..,
(successive contract No./ UW organisational unit code/year)
entered into on ……………….., i.e. for the following Work (specify the Work indicated in the contract or the stage of the Work completed):
…………………………………………………………………..………………..…………
… .……………………………………………………………………………..……………..…

The Parties that take part in the Work acceptance:
Provider   On behalf of the Contractor

…..   ....
(data of the Provider)   (data of the person authorized to accept the Work)

1. Contractor (mark as appropriate):
   ☐ accepts the Work without reservation as having been completed in accordance with the Contract;
   ☐ refuses to accept the Work due to the following defects of the Work (describe the defects):
   ....
   ……………………………………………………………………………………………………

2. In view of these defects, the Contractor (delete as appropriate)[1]:
   ☐ obliges the Provider to improve the Work to the following extent:
   ………………………………………………………………………………………….…...,
   by the deadline of …….………………… (date)

   ☐ considers withdrawing from the Contract because it is unlikely that the Provider will be able to complete and hand over the corrected Work, within the time limit specified in the Contract.

   Provider   Contractor

   ....

---

[1]If the Work is accepted without any reservations, delete this item as irrelevant.

The acceptance protocol for the contract for defined work as part of which the University of Warsaw does not acquire copyrights to the Work
